

Advance-Nilfisk Part

Advance-Nilfisk Parts - Imagine how long and tiresome it will actually be to clean-up right after a party, with no help from equipment. Previously, the dust from upholstery and carpets had to be beat out of them by hand; brushes, cleaning cloths and brooms were the best cleaning products back then.

P.A. Fisker, the man who founded Nilfisk-Advance, was an electrical engineer who really loved working with electrical motors. Establishing the business in the year 1906, he started to make motors so as to drive coffee grinders, drills, fans and machine tools. Mr. Fisker's dream from the beginning was to have a worldwide business advertising merchandise globally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning business. Mr. Fisker invented a incredible, ground breaking vacuum cleaner that can be operated by one individual as it only weighed 17.5 kilos! This creation came in a time where many cleaning equipment were huge and needed at least 4 operators, thus, the Nilfisk C1 changed everything and developed the method we clean forever. The mastermind behind these first cleaning equipment remains unparalleled. Cleaning machines offer a brilliant solution to an existing dilemma; things get filthy and should be cleaned on a regular basis, without a lot of effort.

Little by little, the business Nilfisk-Advance grew all through the years. During the early 1980's the company expanded fast when the business became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance forward within the business, aspiring to be an active global player in manufacturing professional cleaning machines. Nilfisk-Advance is presently represented in all parts of the globe due to gradually obtaining lots of smaller businesses in order to grow their product range and presence in new markets. They are really proud to offer a range of cleaning solutions to suit each and every need.
